

Truth Is

VEDO

It's Vedo Baby

Sometimes I get lonely
Sometimes I get weary
I know I stay busy
But you're always on my mind
Sometimes I be tripping
But I've got good intentions
Thank God that you're with me
Though I act like that I don't need you
Truth is Girl you complete me
You saw potential in me through it all
Yes I got money now
If I want it I cop it now
But none of this shit really matter if I ain't got you.

Baby the truth is I need you in my life
I know that you're my wife
You're perfect in my eyes yeah
Truth is I prayed for you
Truth is I was made for you
Truth is you make me better
Girl I'm thankful you're my angel now
I'm only making love to you
Truth is so in love with everything you do
Truth is you're perfect in every way
You don't have to change a thing
Baby the truth is I can't live without you

I miss the way that you to talk to me
I miss the way that you love
When you get mad
And don't text me back
Yeah girl I miss all of that
All those little things you do
I know how much I need it now
You helped me fix my crown (oh)
You gotta forgive me I was acting real childish
Fronting like you ain't the one
But really never doubted us
It's deeper than love yeah
Yes I get money now
If I want it I cop it now
But none of this shit really matters
If I ain't got you

Baby the truth is I need you in my life
I know that you're my wife
You're perfect in my eyes yeah
Truth is I prayed for you
Truth is I was made for you
Truth is you make me better
Girl I'm thankful you're my angel now
I'm only making love to you
Truth is so in love with everything you do
Truth is you're perfect in every way
You don't have to change a thing

Baby the truth is I can't live without you
