

Who Else

VEDO

Vedo Baby

Lately I know she been waiting
She been in her feelings
Cause can't nobody don't nobody keep it Onna hush
But baby if you Leme bless you
You know I ain't never gonna stress you
Girl won't nobody can't nobody do you like I do
Baby I'm different I'm on a mission been thinking bout taking you down
Lame niggas only run they mouth
You need a real one to come around oh
If you get to tripping I kiss it and make it better baby
Then give you rounds your secret is safe and sound
Girl I won't run my mouth
Oh I know you used to fucking with them lames
And Lil shanty I ain't Tryna run no game
But if you lemme slide threw I can make you put respect up on my name

Who Else

Gon hit it like me, and still keep it G
Who Else
In the same VIP, n we don't even speak
Who Else
Gon beat it til u can't nomo eat it till I can't nomo
I don't see nobody I don't know nobody
Nobody, nobody, nobody...
I don't see nobody I don't know nobody
Nobody, nobody

You ain't gotta worry bout your secrets getting out
If you Leme get it if you let me figure you out
I know what you used to thinking Ima use you
But girl you know I won't reveal it to nobody else
Aw yeah yeah you know pull up in that all black two tho
Whipping on the Philly with the Henny in my cup
Niggas don't know how to kill the pussy and shut up
Girl it ain't nobody business
We don't need no witness
No we don't need no snitching
Oh Iknow you used to Fuckin with them lames
Aye Lil shanty I ain't tryna run no game
But if you Leme slide thru
I can make u put respect up on my name

Who Else

Gon hit it like me and still keep it G
Who Else
In the same VIP n we don't even speak
Who Else
Gon beat it til you can't nomo
Eat it til I can't nomo
I don't see nobody
I don't know nobody
Nobody
I don't see nobody IDK nobody
