

# Your Peace

VEDO

It's Vedo baby

You've been M.I.A.  
Where you at girl I'm on my way  
I can tell you need it andale  
Girl I know you need a boss like me yeah  
Girl I know ya damaged  
But don't lower your standards...  
I don't know how you manage  
Come and give me all your pain yeah

Girl let's slide to my side  
Let's do anything you like  
Take ya time catch ya vibe  
You can say what's on your mind  
Bon appetit when I eat it up  
Hunned degrees girl it's heatin' up  
I know how to treat your body  
You ain't gotta reach I got it oou  
Come be my peace  
Hop in my jeep I'll put you first  
Your VIP when you're with me  
I know your worth  
I'm where you should be  
And you know, that nigga ain't me  
I'll be your peace when at war  
I put it on me

Green light, on go, know wassup with you  
We, you and I, I'll run it up with you  
We slide, we vibe you know wassup with you  
All night inside and now I'm stuck with you  
Congratulations to you  
I'll be all you need and more  
Ain't nothing like you, oh yeah

Girl let's slide to my side  
Let's do anything you like  
Take ya time catch ya vibe  
You can say what's on your mind  
Bon appetit when I eat it up  
Hunned degrees girl it's heatin' up  
I know how to treat your body  
You ain't gotta reach I got it oou  
Come be my peace  
Hop in my jeep I'll put you first  
Your VIP when you're with me  
I know your worth  
I'm where you should be  
And you know, that nigga ain't me  
I'll be your peace when at war  
I put it on me

I won't waste ya time  
I'll put in some time  
I put it on me  
You been through a lot

So much on ya mind  
Put it on me

Girl let's slide to my side  
Let's do anything you like  
Take ya time catch ya vibe  
You can say what's on your mind  
Come be my peace  
Hop in my jeep I'll put you first  
Your VIP when you're with me  
I know your worth  
I'm where you should be  
And you know, that nigga ain't me  
I'll be your peace when at war  
I put it on me

Aye, well  
I'll be your peace when you at war  
Fuck that nigga he ain't me  
Fuck that nigga he ain't me haha
