I love to seek you in the morning
I love the way you change my mind
I love to feel your awesome presence
You're everything in my life
I feel the way you move me
Your love comes crashing through me

I love you more now than I ever have before
I feel the way you move me
Your love comes crashing through me
I love you more now than I ever have before
I am falling down before you
I'm hanging on your every word
I surrender all I'm holding
Giving praises to you Lord
