

Sorry Again

Velocity Girl

It will never happen again
Is a promise I just can't keep
All alone on the porch
Drifting off to sleep
I change this much this year
But I did it for you my dear
Let me stick around
I'll never let you down
Well I guess that I was wrong
Well I was mistaken all along
It's hard to admit its the end
So I'll say I'm sorry again and again
Wanted to change my mind
Falling a bit behind
Never be the same
Refuse to take the blame
Well I guess it happened again
If already didn't know
Sometimes its hard to believe
We've sunk so low
