

## Enemy

Velvet

Hey my name is motherx realist  
Can I have a minute of your time  
Of your precious time  
Hey my name is oh she's just talking shh  
All I want is a peace of mind  
A peace of mind, yeah

What do we care about the universe  
The world is a beautiful oasis  
What do we care about the universe  
The world is a beautiful oasis  
We are our own worst  
We are, we are our own worst  
We are our own worst  
We are, we are our own worst  
We are our own worst  
We are our own worst  
Enemy, enemy  
Enemy, enemy

Hey my name is look what you're gonna miss  
I'm trying to make you  
Make you see the signs  
You don't see the signs  
Hey my name is all she needs is a kiss  
Now I feel I'm the only one  
Who speak up my mind, yeah

What do we care about the universe  
The world is a beautiful oasis  
What do we care about the universe  
The world is a beautiful oasis  
We are our own worst  
We are, we are our own worst  
We are our own worst  
We are, we are our own worst  
We are our own worst  
We are our own worst  
Enemy, enemy  
Enemy, enemy
