Flashing lights  
I was on a low down  
But I came back to life  
Given all the money  
And I just lost my mind  
But I wouldn't be here  
If I didn't cross that line  
(Po-Pocket)

But I wouldn't be here  
'Cause I'II be back (Home, home, home)  
But I wouldn't be here  
'Cause I'II be back (Home, home, home)  
You can have the parties  
I'ma take the real shit  
You can take the darkness  
That I don't want to deal with  
Flashing lights (Lights, lights)  
Flashing

Follow me  
Take you to pretty places all for free

'Cause I'II be  
But I wouldn't be here  
'Cause I'II be back  
But I wouldn't be here  
'Cause I'II be

'Cause I'II be back
