

Celestial Patricide

Venom Prison

You wait and wonder
Gaze in abstraction
Crucified your coward son
He died for my sins?
His creator, the biggest hypocrite
A malfunction in your story
You cannot admit

I despise you and your lies
Falling to your knees
For someone you can't see
God is evil, man is free

Forgive me father for I have sinned
I don't believe that you exist
Fed us on bread, blood and tears
Plead to deliver us from evil
And the Satan who besets us
Is our Saviour

Slaves to kings and priests
As long as god exists
Rise and crush divinity
Become the infinite
The equal of god

I despise you and your lies
Falling to your knees
God is evil, man is free
