

Evil Perfection

Venom

Looks across the land - immortal
Through the timeless sand - guttural
An ancient quest - an ancient rite
To find perfection evil

Demonic possession
Satanic aggression
My evil perfection
Demonic possession
Satanic aggression
My evil perfection

Evil comes of age - look at me
Turn another page - impatiently
A long lost dream - a long lost soul
To seek perfection evil

Calling out his name - religiously
Crowley went insane - undoubtedly
A book of spells - a curse of death
Beware perfection evil

Evil perfection
