

# Said Goodbye to Your Mother

Vera Blue

Said goodbye to your mother  
She always treated me like a daughter  
She doesn't know the reasons why it's over  
Sometimes you lose a lot more than love  
And I know it's for the best,  
That doesn't meant my heart's  
Not ripped out of my chest  
That doesn't meant  
That I have cleaned up all the mess  
Sometimes you lose a lot more than love

Now the only thing that I can do is wait  
Wait 'til I don't feel  
Wait 'til I don't feel this way  
I feel everything, and I feel nothing  
But this I know for sure  
That we're not in love anymore  
Don't know if we were at all

It's hard to know what kind of words  
That you and I deserve from each other  
Not long ago we thought  
We'd live our lives together  
It feels strange to say goodbye  
We said it so many times before  
But this time it feels different

Now the only thing that I can do is wait  
Wait 'til I don't feel  
Wait 'til I don't feel this way  
I feel everything, and I feel nothing  
But this I know for sure  
That we're not in love anymore  
Don't know if we were at all  
Now the only thing that I can do is wait  
Wait 'til I don't feel  
Wait 'til I don't feel this way  
I feel everything, and I feel nothing

Whoever said it was  
Better to love and to lose  
Has obviously never loved anyone  
Whoever said it was  
Better to love and to lose  
Has obviously never loved anyone  
Whoever said it was  
Better to love and to lose  
Has obviously never loved anyone  
Whoever said it was  
Better to love and to lose  
Has obviously never loved

This I know for sure  
That we're not in love anymore  
Don't know if we were at all
