A House with Love in It

Vera Lynn

A house with love in it is rich indeed Although there are a thousand things that house may need The carpet may be old, the room so plain and bare And yet it's beautiful somehow, when love is living there A house with love in it just seems to bloom As though the month of May were filling every room So, darling, through the years with all my heart I'll pray A house with love in it is where we'll stay
