

## Do You Ever Dream Of Tomorrow?

Vera Lynn

Do you ever dream of tomorrow,  
Like I do?  
Do you plan and scheme for tomorrow,  
Like I do?

I dream of when  
I'll hold you again  
Within my arms.  
Are you the same?  
Does love's eager flame  
Still burn with all its yearning?

Are you living just for tomorrow,  
Like I am?  
Just placing your trust in tomorrow,  
Like I am?

I know that you  
Have lots to do,  
But when the long day is through,  
Do you ever dream of tomorrow?  
'Cause I do!

Are you living just for tomorrow,  
Like I am?  
Just placing your trust in tomorrow,  
Like I am?

I know that you  
Have lots to do,  
But when the long day is through,  
Do you ever dream of tomorrow?  
'Cause I do!
