

## Harbour lights

Vera Lynn

One evening long ago  
A big ship was leaving  
One evening long ago  
Lover's were greaving  
A crimson sun went down  
The lights began to glow  
Across the harbour  
One evening long ago  
I saw the harbour lights  
They only told me we were parting  
The same old harbour lights  
That once brought you to me  
I watched the harbour lights  
How could I help if tears were starting  
Goodbye to tender nights
