

## When My Dreamboat Comes Home

Vera Lynn

When my dreamboat comes home  
And my dream no more will roam  
I will meet you and I'll greet you  
When my dreamboat comes home  
Moonlit waters will sing  
'Cause that tender love you'll bring  
We will be sweethearts, yes forever  
When my dreamboat comes home  
When my dreamboat, comes home  
And my dream no more will roam
