

# Crazy In a Good Way

Veridia

I was so desperate  
Couldn't catch a breath  
Every day was a mess  
I couldn't rest  
I felt it in my chest  
An emptiness  
I was loving myself less

In my mind, I tried to convince myself  
I didn't need anyone's help  
But you stole my locked and guarded heart  
And I said to myself...

It's about to get  
Crazy crazy crazy in a good way  
Crazy crazy crazy in a good way  
Oh, I love the way you wrecked my life  
Look into these eyes  
I'm crazy crazy crazy in a good way

I can hardly believe  
There's no way that I'm asleep  
Feels like I'm a dreamer holding wonderland's key  
This reality, it's insanity  
That you could love someone like me

Your love is a labyrinth where I dwell  
I'll never know anyone else  
Who could find me in the darkest part of my garden's heart  
And somehow love me still

It's about to get  
Crazy crazy crazy in a good way  
Crazy crazy crazy in a good way  
Oh, I love the way you wrecked my life  
Look into these eyes  
I'm crazy crazy crazy in a good way

Stranger, stranger  
I'm a stranger here  
Stranger, stranger  
I'm a stranger here

It's about to get  
Crazy crazy crazy in a good way  
Crazy crazy crazy in a good way  
Oh, I love the way you wrecked my life  
Look into these eyes  
I'm crazy crazy crazy in a good way
