

# Furious Love

Veridia

He said that I would never be  
A silhouette that he would want  
I shifted shape and recreated me  
The girl I was, I soon forgot  
A love like that won't last long  
So suddenly it all goes wrong  
When beauty starts to fade

But You say I am beautiful  
I don't need the world's approval  
Only you madly pursue me  
And jealously tell me  
I am worthy of  
Furious love

With all you have and all you are  
Your universe was incomplete  
In a sea of silver stars  
Still the sky was dark  
And so you dreamed of me  
A love like that is all I want  
I don't ever have to be what I am not  
God, I love the way

You say I am beautiful  
I don't need the world's approval  
Only you madly pursue me  
And jealously tell me  
I am worthy of  
Furious love

Your passion is a fire  
An all consuming fire  
I can't get enough  
Furious love

You say I am beautiful  
I don't need the world's approval  
Only you madly pursue me  
And jealously tell me  
I am worthy of  
Furious love

Your passion is a fire  
An all consuming fire  
I can't get enough  
Furious love

Your passion is a fire  
And all consuming fire  
I can't get enough  
Furious love
