

# Tightrope

Veridia

Sometimes words are too much  
Sometimes not enough  
The tip of the tongue is a knife  
Are the scars forgiven?

Only love will tell  
All I can do from here is wish you well  
But only love will tell

I'm on a tightrope  
Slow and steady  
I think I'm ready, I think I'm ready  
There's no turning time  
The clock is talking back  
Tick-tocking back  
Reaching for that safe place  
Letting go of every day's end  
I'm on a tightrope  
Slow and steady  
I think I'm ready

If we cross each other's paths  
I want to hold you close  
I won't forget the memories  
I hope you'll let me

Only love will tell  
All I can do from here is wish you well  
But only love will tell

I'm on a tightrope  
Slow and steady  
I think I'm ready, I think I'm ready  
There's no turning time  
The clock is talking back, talking back  
Tick-tocking back  
Reaching for that safe place  
Letting go of every day's end  
I'm on a tightrope  
Slow and steady  
I think I'm ready

I don't want to waste another minute  
I don't want to face tomorrow without you in it  
We're all here for a reason  
This is life, but just for a season

Let's make the most of this moment  
We're all here for a reason
