

new skin

Vérité

I got new love, new skin
To wrap myself in
New lows, new sins
To lose myself in
New heart, new limbs

I got new love, new skin
To wrap myself in
New lows, new sins
To lose myself in
New heart, new limbs
To bury myself in
New love, new skin

Oh, oh
Oh, oh
Oh, oh
Oh, oh

I got new love, new skin
To wrap myself in
New lows, new sins
To lose myself in
New heart, new limbs
To bury myself in
New love, new skin
