0 000 00 000  
Boy, my super super super special

So many eyes are tangled  
To find that signal  
You flow without a hitch  
I feel like this is my chance now  
The eyes that are looking at you  
Makes me hasty

I betcha my broken switch  
I betcha our location that has been found  
Uncertainty is boring to me no way

The one love, closed eyes of you and I  
For your love, baby we can make it thru the night  
You in my rhythm  
Make a way, make a chance, baby that's ok

Baby you're my super special  
The moment I saw you  
Baby you're my super special  
Tiki tum tiki ta you hit my heart  
I wanna be official  
Oh baby tonight  
I wanna let everyone hear  
Girl, oh my super special

Oh girl stop keeping us waiting  
Don't waste time, keep on throwin some kisses  
Oh girl your're my Super Special  
You stole my heart, Something Special

So high illusion of falling in love  
Oh I'll keep on go go go  
Conclude me

I betcha you are unsolvable game  
I betcha answer me, you are like a maze  
You are the only light in the darkness your shine

The one love, can't take my eyes off nirvana  
For your love, please give me a chance all the night  
In that unlimited senses  
Make a way, make a chane, baby that's ok

Baby you're my super special  
The moment I'm into you  
Baby you're my super special  
Tiki tum tiki ta you hit my heart  
I wanna be official  
Oh baby tonight  
I wanna let everyone hear  
Girl, oh my super special

Up up up  
You elevate my level of taste  
You elevate my level of taste  
I can only see you  
Down down down  
You make me down  
So that I can't leave you

You are my superstitious in my heart  
I can't hold you slipping away, you're my prayer  
I hold you tight and can't let you go  
Girl look at me once again, one time  
Don't take me off you mind  
I'll be your Jackson  
Can't take you off my mind  
I can find any place  
Just, anytime, Ok to Paris to London  
Wherever it is, I'll be your pilot

Baby you're my super special  
The moment I'm into you  
Baby you're my super special

Say no, Say yes you're cool whatever you do  
I wanna be official  
Oh Baby tonight  
I wanna call you whatever I want  
Girl, oh my super special

Oh super special  
Oh interfere me, I'm all yours  
Oh I know you are mine  
I wanna hear only you saying  
"Boy, my super super super special"
