

I'm Only Going Crazy

Vern Gosdin

Take the house, take our rings
Take the car, take everything
Things just won't be the way they were before

Take it all, take your time
Take what's yours, take what's mine
Where I'm going, I just won't need them anymore

Leave the one that loves you so
And leave the heart that won't let go
And two arms that won't hold you anymore

There's nothing left to say or do
Can't blame me, can't blame you
Where I'm going, it just don't matter anymore

I'm only going crazy
You're leaving me, I know
It's just around the corner
I don't have very far to go
For me it's almost over
As far as you're concerned
I'm only going crazy
I've already made the turn

I'm only going crazy
I've already made the turn
