If You're Gonna Do Me Wrong (do Me Right)

Vern Gosdin

There's a closet full of dresses that I bought you
And here's the keys to the new car in the drive
And before you leave our room, put on your best perfume
If you're gonna do me wrong, do it right

Ohh, the next time the phone rings, I won't answer
I don't wanna be the fool I was tonight
I don't wanna know the truth, I don't wanna see the proof
If you're gonna do me wrong, do it right

If you're gonna break my heart all to pieces
Just walk right out and leave me and it's endin', ohh, tonight
Take off your wedding band, when he takes you by the hand
If you're gonna do me wrong, do it right

Take off your wedding band, when he takes you by the hand
If you're gonna do me wrong, do it right
