

# Take Me Home To Alabama

Vern Gosdin

Take me home to Alabama  
I've been gone much longer than I cared to be  
Take me back to Alabama  
Where the Heart of Dixie waits for me  
And the Heart of Dixie beats for me

Too many years have passed since I've been home  
And I don't know what's changed since I've been gone  
Though I know it's just as beautiful as I recall  
And I can hardly wait to see it all

Huntsville, to [?] and Birmingham  
To the white sandy shores of Alabam'  
Ooh Alabama, the beautiful, where I was raised  
And I don't know just what took me away

Take me home to Alabama  
And let that sun and sunshine shine on me  
Take me back to Alabama  
Where the Heart of Dixie waits for me  
And the Heart of Dixie beats for me

Take me home to Alabama  
Where the Heart of Dixie waits for me  
And the Heart of Dixie beats for me
