

# We Must Have Been Out Of Our Minds

Vern Gosdin

We said our goodbye long ago  
Never thinking we'd miss each other so  
All the memories we must leave behind  
Or we'll just go out of our minds

I thought I loved another not you  
How foolish I felt the same too  
They both turned out to be the wrong kind  
Oh we must have been out of our minds

Let's forgive and forget the life we've known  
And cast aside all the seeds we have sown  
Surely they can forgive us in time  
Oh we must have been out of our minds

I thought I loved another not you  
How foolish I felt the same too  
They both turned out to be the wrong kind  
Oh we must have been out of our minds
