

Fallin' in Love

Verona

I'm finding life ever so free
Sky's clear, no clouds to be seen
I don't wonder of past day or hurting
Coz now you are here right next to me

I'm fallin' in love
I'm fallin' in love
I'm fallin' in love
I'm fallin' in love

I'm finding life ever so fine
You, me - we need the shining stars
We don't wonder what life brings us in time
Coz now I'm yours and you're finally mine

I'm fallin' in love
I'm fallin' in love
I'm fallin' in love
I'm fallin' in love

I'm fallin' in love
I'm fallin' in love
I'm fallin' in love
I'm fallin' in love
