

## Getaway boy

Verona

Tonight I'm ready  
To show them he's a one of a kind  
And tonight in all the glory  
I'm hoping he will make up his mind

That's the way love goes  
It can be so blind  
He's in love way more than he knows  
He can't hide from me  
No more piece of mine  
One day I will make him agree

He's my joy  
My getaway boy  
A secret toy  
My getaway boy

Sweet and shy  
Always in denial  
That he's my boy  
My getaway boy

His friends say I'm crazy  
They don't know what love is about  
That's alright, coz my baby  
Knows the dealing wouldn't back out

That's the way love goes  
It can be so blind  
He's in love way more than he knows  
He can't hide from me  
No more piece of mine  
One day I will make him agree

He's my joy  
My getaway boy  
A secret toy  
My getaway boy

Sweet and shy  
Always in denial  
That he's my boy  
My getaway boy

He's my joy  
My getaway boy  
A secret toy  
My getaway boy

Sweet and shy  
Always in denial  
That he's my boy  
My getaway boy

He's my joy  
My getaway boy  
A secret toy

My getaway boy

Sweet and shy  
Always in denial  
That he's my boy  
My getaway boy

That he's my boy
