

## Stephen

Veronica Falls

Stephen, king of everything  
Stephen, you think of everything  
Carry me to the fountain of youth  
I'll go anywhere if anywhere's with you  
Oh Stephen, king of everything

Stephen, please don't say anything  
Stephen, take off your wedding ring  
People may say that you've lost your way  
I'll stand by you forever and a day  
Oh Stephen, king of everything

Stephen, Stephen, Stephen, Stephen, Stephen
