E.T.

VersaEmerge

You’re so hypnotizing
Could you be the devil?
Could you be an angel?
You’re so magnetizing
Feels like I am floating
Leaves my body glowing
They say, be afraid
You’re not like the others
Futuristic lover
Different DNA
They don’t understand you

You’re from a whole ‘nother world
A different dimension
You open my eyes
And I’m ready to go
Lead me into the light

Kiss me, kiss me
Infect me with your love and
Fill me with your poison

Take me, take me
Wanna be a victim
Ready for abduction
Boy, you’re an alien

Your touch so foreign
It’s supernatural
Extraterrestrial

You’re so supersonic
Wanna feel your powers
Stun me with your lasers
Your kiss is cosmic
Every move is magic

You’re from a whole ‘nother world
A different dimension
You open my eyes
And I’m ready to go
Lead me into the light

Kiss me, kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
Wanna be a victim
Ready for abduction
Boy, you’re an alien

Your touch so foreign
It’s supernatural
Extraterrestrial

This is transcendental

On another level
Boy, you’re my lucky star

I wanna walk on your wave length
And be there when you vibrate
For you I’ll risk it all

All

Kiss me, kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
Wanna be a victim
Ready for abduction
Boy, you’re an alien

Your touch so foreign
It’s supernatural
Extraterrestrial
