

# Ain't For Everybody

Verse Simmonds

Pick you up, hold you  
I'm checking for you, yeah  
You that one, showing off  
I'm checking for you, yeah

Cause you ain't for everybody  
You ain't just for anybody  
You don't do things for just anybody  
Are you really that somebody if I want somebody?

I know you tired playin' with them losers  
So hot, need a fan or a cooler  
Make up just for fun, you don't need it  
Rock them clip ins when you want, don't need it  
Yellin' money over bitches, and you mean it  
You ain't trippin' on these niggas, you don't need 'em  
Full time on your job, you be on it  
It might take a little time, but you on it

Cause you ain't for everybody  
You ain't just for anybody  
You don't do things for just anybody  
Are you really that somebody?  
Found somebody  
Cause you ain't for everybody  
You ain't just for anybody  
You don't do things for just anybody  
Are you really that somebody if I want somebody?

Love them probably, you don't do it like the others  
Every time you go missin', you come back later  
You're not the easy type, you like to take your time  
If anythin' meant for you girl, that's meant for you girl  
I know you heard it all your life, I just wanna be a prayer for you  
Heard you lookin' for a real one, never had a man pray for you  
You keep it all on the low, you ain't competin' with hoes  
You know exactly how this thing gon' go, these niggas is mad and bitches gon'  
' hate

Cause you ain't for everybody  
You ain't just for anybody  
You don't do things for just anybody  
Are you really that somebody?  
Found somebody  
Cause you ain't for everybody  
You ain't just for anybody  
You don't do things for just anybody  
Are you really that somebody if I want somebody?

Girl, you rockin' with a real one  
I can hit it, make you feel good  
Top it off and make it real wet  
That's the type of shit they can't get  
I do the things that they won't do  
I'm goin' hard cause I want you  
I want you

Cause you ain't for everybody  
You ain't just for anybody  
You don't do things for just anybody  
Are you really that somebody?  
Found somebody  
Cause you ain't for everybody  
You ain't just for anybody  
You don't do things for just anybody  
Are you really that somebody if I want somebody?

Cause if everybody already had it, I don't want it  
If everybody already had it, I don't want it, keepin' it 100  
Cause you're too good for that  
Are you really that somebody if I want somebody?

Somebody, somebody to love me  
Oh, yeah  
I need some-somebody to care, yeah  
I only need somebody
