

# Bad

Verse Simmonds

You say you never made love  
Well now's the time to make up  
I know they never gave a fuck  
As long as you would give it up  
I don't wanna' judge you  
Just give me the real you  
You know I would never kiss and tell  
I see so much more than sex appeal

They don't see what I see they don't have to agree  
They don't have to believe just as long you're happy  
No, they don't see what I see what I see  
All the pain you've been through all the love that's in you  
All the things that makes you, you  
I accept ya' baby  
Because your beautiful don't you let nobody tell you different  
baby  
And no matter what I just wanna be the one to always catch you  
baby  
Never forget ya' baby  
When I undress you baby  
We'll make love for the very first time

Is it bad that I never made love  
No I never did it but I sure know how to fuck  
I'll be your bad girl I'll prove it to you  
I can't promise that I'll be good to you  
Cause I had some issues  
I won't commit, No not having it but at least I can admit that  
I'll be bad nooooo- to you  
Yea I'll be good in bed but I'll be bad to ya
