

# Body Party

Verse Simmonds

This right here's the remix  
Girl, let's have a party on yo body

You're starting to freak me  
Girl, let's have a party on yo body  
This right here's the remix  
Girl, let's have a party on yo body

Them hips don't lie, that ass work out  
Talk to that pussy, that's word I'm out  
That hair retarded, you fully loaded  
Don't hurt nobody at this body party

Amen, God knew what he was doin when he made you  
I won't be forsaken, oh no I won't  
Can't nothing nobody keep me away from you  
I heard it was going down 'cause your body's callin  
With all of that bass in your trunk you know I'm gunnin  
Inside by the club I'm the only one who hide it  
Got me excited, I love it when you ride it

Put a arch in yo back, girl and look back at the girl  
Oh this might be the VIP  
And I must be important to share this here moment  
'Cause this ain't for everybody

You put on a show... so professional  
But right after we play it  
You might need to be paid yea yea  
Yea yea yea

Girl, you got me swinging  
Girl let's have a party on yo body

Baby take your time now, there's no need to rush  
We can go another round, if that's what you want  
Cause tonight it's going down, yeah you know it's going down  
We in the zone now, don't stop

You can't keep your hands off me, touch me right there, rock my body  
I can't keep my hands off you, your body is my party  
I'm doing this little dance for you  
You got me so excited  
Now it's just me on you  
Your body's my party, let's get it started

Boy you should know that your love is always on my mind  
I'm not gonna fight it, I want it all the time  
Boy you should know that your love is always on my mind  
And I can't deny it, I'm on you, I'm on you

The things I wanna do to you  
My body's calling you  
I'm having so much fun with you  
Now it's just me on you  
Your body's my party, let's get it started, oh.
