And this right here is dedicated to the freak and you!

All up in this house, baby, you're amazing!

Cause don't nobody do it quite the way you do it
I'm a about to lose it!
Sex into the music, you get so intruding
I just like to watch it, you put on a show!

Bounce, bounce, bounce, bounce, bounce
Body freaky, let it out
Show me what you're talking about
Bodies make up!
Bounce, bounce, bounce, bounce, bounce
In the kitchen, on the couch
All my freaking ladies, this one's dedicated!
