

Every Time It Snows

Verse Simmonds

Oh, ooh, yeah
Yeah yeah yeah
Yeah yeah yeah yeah
Woah

Every time it snows it gets a little colder
Every time it snows it gets a little lonelier
Now that you're gone, I think I lost that fire
Every time it snows, every time it snow

Who wants to be alone?
Especially this time of year
If you make it home
It'll be the best thing to happen all year

T-T-Tongue kissin', grabbin' that ass, yeah
That's my present
All of that good lovin'
All of that good stuffin'
I ain't gettin'
Watchin' the neighbors
Reminds me of how we buzz
But they can never be us
I really need to see ya

Every time it snows it gets a little colder
Every time it snows it gets a little lonelier
Now that you're gone, I think I lost that fire
Every time it snows, every time it snow

I get to thinkin' 'bout me and you
I hate the questions 'bout how are you
I'm runnin' out of the things to say
I don't know what else that I can do
Even went and put a tree up
Hopin' it would cheer me up
It really ain't do too much
Just last year we was

T-T-Tongue kissin', grabbin' that ass, yeah
That's my present
All of that good lovin'
All of that good stuffin'
I ain't gettin'
Watchin' the neighbors
Reminds me of how we buzz
But they can never be us
I really need to see ya

Every time it snows it gets a little colder
Every time it snows it gets a little lonelier
Now that you're gone, I think I lost that fire
Every time it snows, every time it snow
