

Gimmie Some

Verse Simmonds

I was gettin money when you called me, yea yea
Then I got a text saying boy I got a problem, yea yea
You send me the at pum pum pic with that message, aw
Girl, I know what you want, baby, let me come fix it

Please when you done come gimmie
Please when you done come gimmie gimmie gimmie some now
Gimmie some now
She say
Please when you done come gimmie
Please when you done come gimmie gimmie gimmie some now
Gimmie some

One time turn a lifetime
You live on the top floor of my mind
I don't wanna see other days go by
Why you wanna leave yo no say goodbye
Ah
Flew for many miles
Just for the love that you said was mine
Baby, you could always hit my line
Out for the night with you little tight tight
Hustle days not nice
But you give something make me feel alive
I deh run through every light just to see you my darlin

I was gettin money when you called me, yea yea
Then I got a text saying boy I got a problem, yea yea
You send me the at pum pum pic with that message, aw
Girl, I know what you want, baby, let me come fix it

Please when you done come gimmie
Please when you done come gimmie gimmie gimmie some now
Gimmie some now
She say
Please when you done come gimmie
Please when you done come gimmie gimmie gimmie some now
Gimmie some

What ever you want I can figure it out
Tryna see how much you can fit in your mouth
I wont let nobody else get in the way
Girl, I need your body don't give it away
Ah ah
Imma pull up at the end of the night
And baby if I ever did have to decide I'd choose you
Id choose you
So gimmie some now now now
Makin your love come down
We goin at it round after round
I got you all alone now

I was gettin money when you called me, yea yea
Then I got a text saying boy I got a problem, yea yea
You send me the at pussy pic with that message, aw
Girl, I know what you want, baby, let me come fix it

Please when you done come gimmie
Please when you done come gimmie gimmie gimmie some now
Gimmie some now
She say
Please when you done come gimmie
Please when you done come gimmie gimmie gimmie some now
Gimmie some
