Say you got a new man, new man, new man, whatever the fuck
I don't give a damn cause you still gon', still gon', still gon' let
a nigga fuck
Told you before that pussy still mine
She said say it again so she know I ain't lyin'

She know what it is when I come to the city
We ain't gotta have windows down cause you see me
She put on that little, tight dress that I like
And tonight she doin' everything that I like, yeah we gotta fuck ever
ything

I'll always belong to you
You'll always belong to me
There's nothing I wouldn't do
This love is a guarantee
I'll always belong to you
You'll always belong to me
There's nothing I wouldn't do
This love is a guarantee

Mine, mine, mine, it's been a long time, no, not much's changed
We picked up where we left off like we never missed a day
Okay, got you open, got you smokin'
Doin' things that you never do with him, you never do with him

She know what it is when I come to the city
She gon' turn her cellphone off when she with me
She gon' do the little, freaky things that I like
And she ain't gon' make it back home, not tonight

I'll always belong to you
You'll always belong to me
There's nothing I wouldn't do
This love is a guarantee
I'll always belong to you
You'll always belong to me
There's nothing I wouldn't do
This love is a guarantee
I'll always belong to you
You'll always belong to me
There's nothing I wouldn't do
This love is a guarantee
I'll always belong to you
You'll always belong to me
There's nothing I wouldn't do
This love is a guarantee
