Stick inna we hand you can't play us  
If you owe me money better pay up  
Man ah man no hustle fi no paycut

As the sun rise and I start my day  
Look to the sky and I give the most high praise  
I spark the light and I meditate  
I fix my crown and I'm on my way  
I'm from the rock  
Gunstown  
Marijuana growin on di compound  
Take a little bit and pass the rest round  
Take a little hit and pass the rest round
