

# Love Me

Verse Simmonds

I'm on that good kush and alcohol  
I got some down bitches I can call  
I don't know what I would do without y'all  
I'm a ball 'til the day I fall (ball, ball, ball)

Yeah, long as my bitches love me they gon fuck me  
Dumb bitches spend they money on me  
I'm ballin up and yo money for me  
I'm laughin at you, Kevin Heart  
She a down bitch, she gon play her part  
You don't fuck with me, that's cool, pause  
I don't fuck niggas that's ruper  
Ya'll broke niggas need 2 palms

Yo girl suck me like a Dupont  
I call her vacuum cause she the truth ya'll  
I got hoes, I got hoes  
I got real niggas that come shoot ya'll  
And they ain't livin on evidence  
Real niggas stay smoking that medicine  
Bitches say I got swag like that president  
Pick one, anyone but like Kennedy or Clinton  
And we fuckin at the White House  
I ain't shy, you ain't gotta turn the lights out  
If she by she gon have to bring her wife out  
If she sayin I'm a have to pull her mic out  
You know I did it to go, I call it takeout  
Eat the pussy like a nigga had a steak house  
She give it to me when she say she at her friend home  
We call that playa 51 make up

I'm on  
Why you think that they hate me  
Used to tell me I couldn't do it now you sayin boy you done made it  
That strong, roll a joint of that fire  
Sip something then I hit something, got er screamin out like Mariah

I'm on that good kush and alcohol
