She going to be calling me Caesar (Julius)
They call her Houdini at night
Nobody sees her (Houdini)
She thick as a peanut butter
Oh my God I want her (to thick)
I gotta drop Mercedes baby acting lonely [?]
Look at it,no no no it's not McDonalds
You know I can change your life
I got a big house

You got to stop playing with your family

I put my love in it

I got your face down with your ass up
I'm going hard I can't never get enough
I can tell it's been awhile since you've gave it up
Girl you make it hard, for me
Trust me, I've been told a couple times you're hard to please
I want to make you fall in love, with me
Baby, I'm the only one you need
I don't know the deal with your last guy
Give it to me and I'm good every night
Every time we get to together, girl it's on sight
Oh baby Im going to put my love in it all night

Put put put my love down down down

Hands on your body
I'm kissing your lips got you dripping like Kazi?
Hop on and ride it
I take you about it like Awasahki?
