

# Murder Charge

Verse Simmonds

I put that on my momma  
She look just like Rihanna  
Nobody say a word  
It's bloody bloody  
Murder

Pull up with the movements  
And murda murda  
Diamonds stay flashing on em  
Murda murda  
9-11 triple dashing on em  
Murda murda  
Lil baby got an ass on her  
Murda murda  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge

I just cashed out  
With my day 1  
I just put a bezel  
On my 41  
Sippin red rum  
Bitch murda murda  
I just fucked yo bitch  
At the fat burger

I walk around  
With a check  
On my neck  
I took your bitch  
And you can't get her back  
I'm not type of dog chasin a cat  
I guess that I'm took fuckin  
Lazy for that  
She happy that she fucked a nigga famous  
She heard I got a temper  
And I'm dangerous  
Is that pussy mine?  
You lie to me  
If, if you let me cut you  
The lottery

Pull up with the movements  
And murda murda  
Diamonds stay flashing on em  
Murda murda  
9-11 triple dashing on em

Murda murda  
Lil baby got an ass on her  
Murda murda  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge

In the back seat of that black suburban  
Foggin up the windows  
Hit it missionary  
All black  
Lam to the cementary  
Last nigga died  
Trying to flex on me  
Stack that money up  
In large amounts  
Took the drug  
It took all day  
To flush in out  
You ain't talkin bout  
My niggas  
What you  
Talkin bout  
It's a murda on the scene  
When we steppin out

Pull up with the movements  
And murda murda  
Diamonds stay flashing on em  
Murda murda  
9-11 triple dashing on em  
Murda murda  
Lil baby got an ass on her  
Murda murda  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge  
She just hit the club  
And caught a  
Murder charge

I put that on my momma
