

# Sexy Body

Verse Simmonds

Can't nobody party?  
Can you turn the party up?  
Can't nobody party?  
Can you turn the party up?  
Can't nobody party?

Can you turn the party up?

He acts like he don't want you  
I just can't believe he's such a fool  
You are irreplaceable  
For me you're the exception to the rule  
You know you deserve better  
Baby you should let me love you all the way  
She won't hold out forever  
She just might give it to me tonight

She just wanna be sexy to somebody  
And that somebody could be me tonight  
She just wanna be sexy to somebody  
And that somebody could be me tonight  
Gimme that gimme that gimme that sexy body  
Gimme that gimme that gimme that sexy body  
Sexy body

You don't know what you are  
Beautiful, maybe this could be more than just the typical  
You're looking right at me  
You gonna wish that I never let you go  
I see you looking right at me  
We gonna be doing all night long

She just wanna be sexy to somebody  
And that somebody could be me tonight  
She just wanna be sexy for somebody  
And that somebody could be me tonight  
Gimme that gimme that gimme that sexy body  
Gimme that gimme that gimme that sexy body  
Gimme that gimme that gimme that sexy body  
Gimme that gimme that gimme that sexy body  
Sexy body

Dressed to impress  
Better than your ex man's latest interest  
Like H jay but I came up at the projects  
Fly nigga, yeah I'm a fly nigga  
And I don't need nobody to testify nigga  
I'm the man in the city  
I don't need a close sign  
You know she coming with me  
She has seen all the signs  
Fuck yo girl right  
You thinking that she won't  
But you know she will right  
But it's ok if you don't really wanna  
Cause I hid it from the back  
You'll never get it back

She just wanna be sexy to somebody  
And that somebody could be me tonight  
She just wanna be sexy for somebody  
And that somebody could be me tonight  
Gimme that gimme that gimme that sexy body  
Gimme that gimme that gimme that sexy body  
Gimme that gimme that gimme that sexy body  
Gimme that gimme that gimme that sexy body
