Shake Dat

Verse Simmonds

Nevermind all these other bitches, baby you the best,
I'm a throw all this money till I ain't got nothin left,
Take ya time with me baby I want all that I can get,
All of this is yours, but I just got one request.
Shake that [x7]
All of this is yours)
Shake that [x7]
All of this is yours)

Me, you and ya friends
Damn we goin in shawty,
Pop another bottle just in case tonights the end,
Take a hit of this we jumpin out the window,
Girl that ass u gota turn a priest into a nympho
And you bad a fuck, you bad as fuck stepped out lookin so glamorous uh huh!
All these hoes lookin like fans of yours uh huh!
Girl I'd have a party all over your body if you let me,
Girl don't act like you don't know,
Do that shit that you been practicin at home all alone.
You just downd a half of bottle of Patron' on your own,
Oh you gone? ya you gone, it's ok cause you grown take it low as it go.

Nevermind all these other bitches, baby you the best,
I'm a throw all this money till I ain't got nothin left,
Take ya time with me baby I want all that I can get,
All of this is yours, but I just got one request.

Shake it like you in Vegas,
Shake it like you in Vegas
All of these hoes wanna be like you
So all these hoes your haters
You can take it to the basics champagne and fuck faces
I'm a do whatever like a immigrant that need papers
I'm a dog baby hold up baby please give me your all baby
You've never been with a freak like me
I'm a soak up all that sauce baby
Street shit and my down girl
Ask around it's my town girl
I bet this duffle bag will upside down your frown girl
Shake it like you on welfare why would you go elsewhere
I'm a keep it 100 fuck me good and you get healthcare
Me sample that bon bon that gushy gushy bumbum
Scratch that me explode in that time bomb like

Nevermind all these other bitches, baby you the best,
I'm a throw all this money till I ain't got nothin left,
Take ya time with me baby I want all that I can get,
All of this is yours, but I just got one request.

If you keep that shit 100
We can make lil bow one hundred thousand dollars
Baby girl it's hard to win it papercut
I'm more biz but I don't play no games girl I play with money
I got hot line on your pussy signal out here and when I want it
Say she said she got a man than why she all up in my shit
She so sexy she so fine just to meet her is a blessing
Call your mother where your trunk is must've been a stupid question
Is her good or is he faith faith do you mind girl let me touch you
Ain't gonna press over pay oh baby dance it ain't no stress
She got my dick standing there attention like a fucking army bitch
Let me spread your legs tonight then she woke up and cooked me breakfast
I told her I wish I could stay but I got to catch a flight to Texas

Nevermind all these other bitches, baby you the best,
I'm a throw all this money till I ain't got nothin left,
Take ya time with me baby I want all that I can get,
