

# Shoulda Woulda Coulda

Verse Simmonds

And now she's standing right in front of me  
And she's looking like money  
You know how I love the money  
Oh I

Talk to your fine ass  
When I walk past  
Shoulda introduced myself  
Asked you how you doing damn  
Shoulda came up with a plan  
Tap my mans, tell him look at her  
Face, tits, ass, got it all what do you prefer  
Mama whatcha need  
Do you drink, do you smoke weed  
See you with your girl  
Yeah she bad but you my speed  
Had to switch gears on that ass like a six speed  
Lip [?]

You got my attention like you stole it  
They say the first impression is the right one  
Hold up you not leaving, where you going  
I been trying to get to you all night long

Cause shoulda would coulda won't cut it  
Shoulda woulda coulda won't cut that shit  
Shoulda would coulda won't cut it  
Shoulda woulda coulda won't cut that shit

Cut that shit  
Ratchet bitch  
I love that shit  
Haitian baby

Bought the Mueller  
Flood that shit  
They say don't chase a bitch chase a check  
Looking at you and girl you're priceless  
I put it all on you and that's a bet  
How could I let you walk right past  
Oh no no no no  
Perfect in photo  
Gucci in her logo  
What's your sign I'm a Virgo

You got my attention like you stole it  
They say the first impression is the right one  
Hold up you not leaving, where you going  
I been trying to get to you all night long

Cause shoulda would coulda won't cut it  
Shoulda woulda coulda won't cut that shit  
Shoulda would coulda won't cut it  
Shoulda woulda coulda won't cut that shit

Yeah its thanks to me  
Little mamacita

Look good I might eat you  
Loving all your features  
Rubbing on your body  
You must do pilates  
Don't need all the extras  
Girl you're good without it  
And I know that you hear this all the time yeah  
I know that these niggas wasting time yeah  
Ain't it always wrong until its right yeah  
Girl come here and let me treat you right yeah

Cause shoulda would coulda won't cut it  
Shoulda woulda coulda won't cut that shit  
Shoulda would coulda won't cut it  
Shoulda woulda coulda won't cut that shit

And now she's standing right in front of me  
And she's looking like money  
You know I love the money  
You know I love the money
