# Started From The Bottom

**Verse Simmonds**

Coming from the bottom now we're motherf*cking here
Nigga from the top is all to see you down there
bitch you let me in, you're gonna f*cking get the beers,
I hit once than deader, I know I can get better.

She calls me in the middle of the night saying you're just too boring
Say she wanna f*ck all night and she's horny
Say she got on something special and she feel like performing
(One time) and you know I gotta say in the mike,
red lips, black dress, uh, you ain't getting her back,
real shit, real nigga, uh and she make it like that

Take a sip just girl now I was going down
take another hit I'll be f*cking you want a cloud
every time you strip I'll be digging dig it out
so I won't take off for your man to figure it out,

We started from the bottom, now we're here
Started from the bottom now my whole team fuckin here
Started from the bottom, now we're here
Started from the bottom now my whole team fuckin here
Nigga started from the bottom, now we're here
Started from the bottom now my whole team fuckin here
Started from the bottom, now we're here
Started from the bottom now my whole team fuckin here

I'm coming from the bottom, bottom, bottom,
so you're f*cking right up on the whole..
we ain't never had nothing, nothing, nothing
so you best believe that a nigga is straight stuntin
coming from the virgin islands I had to make an eh eh eh
I didn't been homeless, had no way to stay,
rap mind stressing by the build she..
that's how we did for a refugee,
but when I was a kid I knew I'll be the fucking man
neither I sell a couple songs so I sell a couple friends
and you know I gotta do it for the fam,
sell a couple songs so I sell a couple friends
and you know I gotta do it for the fam
'cause I didn't struggle all my life
but I'm stuck to the plan I'm own like a motherf*cking now
you know the song like the motherf*cking now
put it all on the line and a nigga double don't
so we ain't losing trust, still rap in my town,
rap in my town, still rap in my town.
I ain't losing y'all still rapping my time,
still rap in my town.

We started from the bottom, now we're here
Started from the bottom now my whole team fuckin here
Started from the bottom, now we're here
Started from the bottom now my whole team fuckin here
Nigga started from the bottom, now we're here
Started from the bottom now my whole team fuckin here
Started from the bottom, now we're here
Started from the bottom now my whole team fuckin here
