

Strip Tease

Verse Simmonds

Take it take it off (take it off)
Me oh oh me oh oh my my my my
Tonight you're looking so right right right right
Come and give me some of that la la la la
Take a little sip of this ah ah ah ah ahh
So you can get down on it
Girl you know its better when you want it
Hope you're in the mood tonight
Baby cause the mood is right
A-aye aye pretty young thang
Whats it take to get you outta them jeans
Outta that shirt
You gotta body worth money
Take it all from me

Girl I'm ready for that strip tease
Ya did for me last night
Yeah you look better coming out your clothes
Baby take it down nice and slow
I'm ready for that strip tease
Ya did for me last night
And shawty you can take your time
Cause after we gon' bump and grind
Baby take it off
Baby take it off

Yeah what you got on is fly
But with out it you look better na na na na
Oh no I ain't telling no lie uhn uh
Girl let me set this stage just right for ya
You got it now flaunt it
I wanna shot of you like an alcoholic
One shot two shot three shot four
Got me love drunk but I still want more
A-aye aye pretty young thang
Whats it take to get you outta them jeans
Outta that shirt
You gotta body worth money
Take it all from me

Girl I'm ready for that strip tease
Ya did for me last night
Yeah you look better coming out your clothes
Baby take it down nice and slow
I'm ready for that strip tease
Ya did for me last night
And shawty you can take your time
Cause after we gon' bump and grind
Baby take it off
Baby take it off

Aye yo imma set the camera up
Let you know whats going down
Them clothes coming off
You gon' cum a couple rounds
And another round
Oh you kinda a freak

You should show a lil something like a sneak peek
See she be doing things like she married to me
Then I make her scream like a scary movie
You know what I mean momma you gon' get some
Baby you a dream I'm just hoping you're a wet one
We get it in at the same time
Plus my favorite numbers is six & nine
Strip tease you been giving me one
And next time bring a friend we can triple the fun

Girl I'm ready for that strip tease
Ya did for me last night
Yeah you look better coming out your clothes
Baby take it down nice and slow
I'm ready for that strip tease
Ya did for me last night
And shawty you can take your time
Cause after we gon' bump and grind
Baby take it off
Baby take it off
