

# Waterfalls

Verse Simmonds

Comin' down, comin' down, comin' down  
Feels like waterfalls, waterfalls, yeah

I can feel you always round me  
Girl, you know I want you on me  
Private island, swimmin' in your sea  
Wanna rock the boat, baby  
The water runnin' from your fountain  
She let's me know that it's time to begin  
Cause when I'm in, it's sink or swim  
Comin' down

Comin' down, comin' down, comin' down  
Feels like waterfalls, just like waterfalls, yeah  
No more playin', gonna lay in it, stay in it  
Comin' down if you with it, I'm with it  
Feels like waterfalls, just like waterfalls, yeah

Divin' in your skin  
Drippin' down your spine  
Put it on my tongue  
This is what you call love  
Divin' in your skin  
Drippin' down your spine  
Put it on my tongue  
This is what you call love

Comin' down, comin' down  
Comin' down, comin' down  
Comin' down, comin' down  
Comin' down, comin' down  
There's nothin' that I won't do for ya  
Comin' down, comin' down  
Comin' down, comin' down  
Comin' down, comin' down  
Waterfalls, comin' down
