

# Goodnight My Friend

Vertical Horizon

Goodnight my sun  
Goodnight my friend  
Rest your soul at this  
Long day's end

The fire inside  
Will warm our night  
And daddy's arms will  
Hold you tight

Dream of summer skies  
Sunset is bound to each sunrise  
Rest is your first right  
My friend goodnight

This world spinning  
Time always winning  
The silver chains keep thinning and  
This is just your beginning

Sleep my friend  
At last be free  
No we won't forget  
Our merriest melody

Gone to another place  
Of carousel rides round an angel's face  
I'm sure we'd both laugh at the sight

My friend goodnight
