

# Blessed

## Vertical Worship

Blessed is the poor in spirit  
Blessed is the one in need  
For every thirst and every hunger  
You are everything

Blessed are the worn and weary  
Blessed are the ones who grieve  
In every moment unexpected  
You are everything

To seek You is to find You  
To know You is to want You  
And I want nothing more than You  
To see You is to love You  
And I can't believe I get to  
I want nothing more than You

Blessed is the mercy giver  
Blessed is the way of peace  
I will trust Your heart and hand  
You are everything

Yes, I will trust Your heart and hand  
You are everything

To seek You is to find You  
To know You is to want You  
And I want nothing more than You  
To see You is to love You  
And I can't believe I get to  
I want nothing more than You

Take this world and give me Jesus  
Take this life and give me Yours  
In every season You are the blessing  
Jesus You are my reward

Take this world and give me Jesus  
Take this life and give me Yours  
In every season You are the blessing  
Jesus You are my reward

Take this world and give me Jesus  
Take this life and give me Yours  
In every season You are the blessing  
Jesus You are my reward

To seek You is to find You  
And to know You is to want You  
And I want nothing more than You  
To see You is to love You  
And I can't believe I get to  
And I want nothing more than You

Oh, I want nothing more than You

Oh, I want nothing more than You
