

## It Came To Pass (Worthy, Worthy)

### Vertical Worship

It came to pass, a child was conceived  
A virgin girl betrothed in Galilee  
The Angel came, revealed the ancient plan  
A baby boy, Christ the Son of Man

Though she could not comprehend  
Such a mystery  
Just a glimpse of You revealed  
Was compelling her to sing

Holy, holy is the Lord, God Almighty  
Worthy, worthy is Your name  
All of Heaven joins the universe in crying  
Worthy, worthy is Your name

And so there were no place to lay their heads  
The Son of God, a stable for a bed  
A helpless child wrapped in ragged cloak  
His parents praise a simple gift of God

Though they could not comprehend  
Such a mystery  
Just a glimpse of You revealed  
Was compelling them to sing

Holy, holy is the Lord, God Almighty  
Worthy, worthy is Your name  
All of Heaven joins the universe in crying  
Worthy, worthy is Your name  
Worthy, worthy is Your name  
Worthy is Your name

A brilliant star was led to show the way  
The shepherds bowed and kings knelt in the hay  
This is our God, a great and noble king  
All glory to the Lord, firstborn majesty

Holy, holy is the Lord, God Almighty  
Worthy, worthy is Your name  
All of Heaven joins the universe in crying  
Worthy, worthy is Your name  
Holy, holy is the Lord, God Almighty  
Worthy, worthy is Your name  
All of Heaven joins the universe in crying  
Worthy, worthy is Your name  
Worthy, worthy is Your name  
Worthy, worthy is Your name
