Vertical Worship

You're the God of the impossible
You can move any mountain
There's nothing too hard for You
You're a miracle-worker, oh

I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen

Yes, come on, call His name tonight
He is able, to do far more than we ask or imagine

I believe
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen

To sing His name
Jesus, in the name of Jesus
Jesus
In the name of Jesus
In the name of Jesus

I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
I believe in Your name miracles will happen
Come on, lift up your hands and sing
I believe in Your name miracles will happen
I believe in Your name miracles will happen, yes
I believe in Your name miracles will happen
I believe in Your name miracles will happen

Jesus, in the name of Jesus
In the name of Jesus
In the name of Jesus
In the name of Jesus
Hallelujah, let it be sung
