I love my swedish fish I love my swedish fish I love my swedish fish He's my secret wish

Talk to me, I need attention
Tell me all of your confessions
Tell me if I cease to mention

I love my swedish fish I love my swedish fish I love my swedish fish He's my pisces gift

I'm never coming back
I am too far gone
Won't you be heading this way
Before too long?
I'm holding on you
To you
