

(Oh, I guess I'm on my own)
(In the summer time I'm so lonely)
(In the summer time I'm so lonely)

Spent too long by myself
Not good for my health
Time really does tell
Thought I could learn on my own terms

Oh, I guess I'm on my own
Oh, I guess I'm on my own
Yeah

Gotta drop my walls, can't hide behind
And I'm only scared, cause I don't know what I'll find
Been livin' life, half-blind, so insecure, not fine
I'll work it out in time, and we'll be alright
And we'll be alright

And I swear, we gonna breathe in on the fresh air
Break your heart, take it in on repair
And I see the light, and we'll be alright
Cuz I know no tonight, and I might get by
But, I'm feeling like there's no more angels
Been feeling like there's no more angels
'Cause life be so damn painful
I don't think I'm gonna be able
It's like there's no more angels
Been feeling like there's no more angels
Gotta keep my hopes up, faithful
I don't think I'm gonna be able

Tryna make life good, grateful
Shootin' for the stars not able
Tired of being unstable
